WEEK 1 – MEMORY VERSE GAME – REBUS PUZZLE

A REBUS is a word puzzle that uses pictures in place of words. To solve the puzzle, you need to figure out what each picture is. It will give you a clue to what the word or words are. Here are some examples:

Letters and numbers can be words

A plus sign between pictures shows that the words go together to make a different word

B 4 B + 4
Be For Be + For = Before

Some words sound like the picture so you need to sound out the clue

F
'F' sounds like 'if'

You may need to think of different words for the same picture

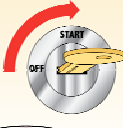

This is not a 'rabbit', it's a 'hare'
