

MEMORY VERSE

So then, men ought to regard us as servants of Christ
and as those entrusted with the secret things of God.
—1 Corinthians 4:1

THIS WEEK'S MISSION

You are now on your way to becoming a great agent! As you know from the training class this week and the message from Headquarters, disguises will be an important part of agent life. No, these aren't costumes, but rather attitudes that we put on so that others will see Jesus in our actions. This week, your mission is to do something special for someone but you have to keep it a secret. You cannot tell anyone outside of the class what you are doing, and most importantly, you cannot be seen doing it.

The choice of what you do and for whom is totally up to YOU! The goal of your mission is that the person you choose will know that someone cares about them. If you like, you can leave a note to explain that it was a secret gift given to someone special by someone who cares, but don't let them know who it is. Here are some suggestions:

- Buy a small gift and wrap it up, then leave it in a place that your person will find it.
- Buy or make a card for someone that tells them they are special to God. Mail the card without a return address so that the person cannot tell where it came from. You can ask a parent for help if you need to.
- If you know of any organization in the area that needs donations, collect up toys, food or other items and drop them off so that others can benefit from your gift.

FUN FACTS ABOUT MASKS AND DISGUISES

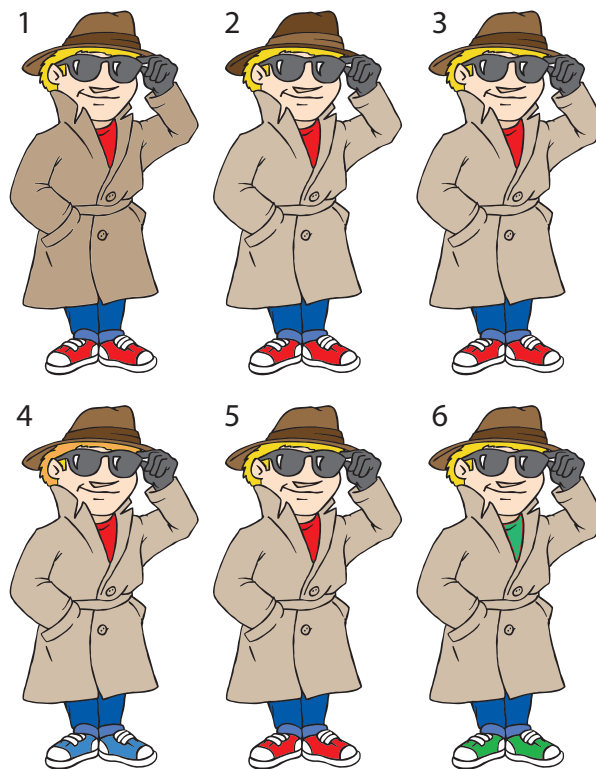

- Most comic book and movie superheroes use masks to hide their true identity. So, they can do great things for many people and still live normal lives.
- Make-up can be used to create a mask, too. Actors on stage, clowns at the circus and even mimes and street performers use make-up to hide their face but allow their expressions to show through.
- Masks do more than hide your face and your identity. They can be used to protect us, too. Think about face masks used in hockey and football. There are also breathing masks used by painters to protect them from harmful fumes and scuba masks that allow divers to breath under water. Can you think of any other kinds of masks?

WEEK

YOUR PERFECT DISGUISE

If you had to create a mask to wear for your mission, what would it look like and how would you decorate it? Below, make your mask complete by drawing in pictures of things that you think would be helpful for this week's mission as you go undercover.

Once you've drawn everything you like in, color it and make it look it's best. Remember that others need to see Jesus and not you!

Remember: This week is about not being seen as you complete your assignment and no actual costume, mask or disguised should be needed!

PERSONAL CHALLENGE

Jesus' goal was that The Father would be seen through everything that He did on earth. What do people see when they look at your actions? Do they see Jesus in everything that you do? If not, it's something that you can try to improve.

WORD PUZZLER

When Jesus was on earth, He served people in many ways and earned different names or titles based on what He did. Can you find these names in the puzzle below? The words go across and down. Circle all the ones that you can find.
